Positing:

**I. One (1) Full Time ICP/ACP Supervisor
(Big River Base)**

Starting Date: **September 1st, 2009**

Posting Reference: **BRACP379**

Job Description

Currently accepting applications for a full time ICP/ACP Supervisor for the Big River Base location with Spiritwood Ambulance Care (1994) Ltd. with practitioner responsibilities in accordance with current practice guidelines associated with Saskatchewan Health Protocols in providing BLS care and/or ALS care.

In addition to ensuring consistent and proficient utilization of medical and communications equipment; maintaining a positive, professional relationship with field personnel, administrative staff, associated law enforcement agencies, fire, and other medical personnel; individuals must also possess and demonstrate a positive leadership role within the profession and in the public arena.

The practitioner position encompasses a combination of regular worked hours, on call hours, shift/weekend differentials and overtime hours. Average entry level (Step 1 HSAS) gross salary of \$60,000+/year. Current schedule deployment includes 8-days on/4-days off, 8-days on/4-days off, 6-days on/6-days off.

The supervisory component is blended into the practitioner component with general day-to-day operations and supervision of a stand-alone satellite base and associated variables, i.e. staff, inventory, deployment, administrative duties, coordination with primary base location, etc. Additional monetary compensation dependant on level of duties and open to negotiation.

There is a great deal of diversification and opportunity in our ALS/BLS service to advance any level of practitioner certification. Spiritwood Ambulance Care offers many incentives like Group Medical Benefit programs which include Dental, Vision and other extended health benefits for individuals and families. Additional enticements include RRSP contributions and educational opportunities. Moving compensation packages available.

Additional Qualifications: (in addition to practitioner requirements on application)

- Previous supervisory experience (asset, but not required)
- Leadership experience
- Computer literate on major software brands (i.e. Microsoft Office, Corel, etc.)
- Team oriented work ethic
- Mentorship personality
